MUKESH PATEL SCHOOL OF TECHNOLOGY MANAGEMENT & ENGINEERING

JAYESH MANDLOI
BTECH Computer Engineering 2023-2027
Date of Birth: 1st Jan 2006

Education

MPSTME, NMIMS University **2023 - 2027**
B. Tech in Computer Engineering
CGPA: 3.07/4

Sendhwa Public School,Sendhwa **2023**
CBSE: 74.00

Mukesh R. Patel School,Shirpur **2021**
CBSE: 80.00

Projects

Tour & Travel Agency Website

- Developed a full-stack travel booking platform using Next.js 15, React 19, and TypeScript
- Implemented dynamic routing, responsive UI, and optimized builds using Turbopack
- Integrated PostgreSQL database with authentication and admin configuration
- Performed linting, database migration, and testing using ESLint and Playwright

AI Resume Analyzer

- Built an AI-based system to evaluate resumes against job descriptions
- Implemented NLP techniques to extract skills and relevant keywords
- Designed a scoring system to match resumes with job requirements efficiently

GroceryGo – Android Grocery Shopping Application

- Developed an Android application using Java and Firebase
- Implemented Firebase Authentication and Google Sign-In for secure login
- Integrated Cloud Firestore for real-time product, cart, and order management
- Added features including wishlist, wallet, order tracking, and Google Maps integration

Real-Time Object Detection System

- Developed an object detection pipeline using YOLOv8, OpenCV, and PyTorch
- Implemented detection and tracking for images, videos, and live webcam streams
- Trained models on custom datasets and optimized detection performance

Internships

Certifications & Publications

Web3 Hackathon Participant – TantraFiesta'25
Indian Institute of Information Technology Nagpur

- Represented NMIMS Shirpur through Unstop
- Collaborated in a team to develop an innovative Web3 solution under time constraints

CORE SKILLS

Technical Skills:

- Languages: Java, Python (Basic), XML, HTML, CSS
  Frameworks/Libraries: Next.js, React, PyTorch, OpenCV
  Database: Firebase Firestore, PostgreSQL
  Tools: GitHub, Android Studio, VS Code

Soft Skills: Communication, Teamwork, Adaptability & Quick Learning, Problem Solving, Time Management

Achievements and Positions of Responsibility

- **Web3 Hackathon Participant – TantraFiesta'25, Indian Institute of Information Technology Nagpur**
- **Completed** 21-day community service program**.**
